

## MESSAGE FROM THE PRESIDENT

With the NZPGA now over I was delighted to recently receive a letter of congratulations to the Club from the NZ PGA thanking the club for hosting and running a very successful tournament this year. Given that we only had a short period of time to prepare for the event, the contributions made by many of our members in many ways really contributed to the success of this event. Without attempting to name everybody - special acknowledgement must go to the organising committee; Michael Williams, Ewan Westergaard, Margaret Scott, Rodney Thomas and Nathan Hopcroft along with Malcolm Wells and his green keeping staff who presented the course in superb condition. This was an amazing opportunity to showcase our golf course at its best (with reasonably good weather) as well as elite golfers to the many members of the public who formed the gallery on both the Saturday and Sunday and the TV coverage was well put together. We are due to meet with NZ PGA representatives late April to discuss future events.

With the departure of Michael Williams it was a pleasure to welcome the new General Manager, Warren Collett, to the club on Monday. I'm sure Warren will get to know you all very quickly. We look forward to gaining from his wealth of experience that he will bring to the role.

Last week the Manawatu-Wanganui Golf Association AGM was held and our club is well represented at that level for 2017. Board Members include Deb Archer, Hugh Glendinning, John Dunlop, with John Clapperton elected to the men's committee. Special mention and congratulations to Martin Townend who was awarded life membership of the Association. This is a well-deserved reward for a longstanding service to the Association and golf in general.

It was sad to farewell long-time Front of House Manager Anna Coogan who finished with the club on Tuesday, leaving to spend more time with her family. Anna has made a huge contribution during her time in the café and bar and will certainly be missed. She has been replaced by Billy Dempsey and he will be sharing the role with Dana Littlefair.

With daylight saving ending this week we are well into the 2017 season with many of the winter competitions underway.

Enjoy your golf.

**Peter McRedmond - Club President**

## GENERAL MANAGER

It gives me great pleasure to write to you and introduce myself as the new General Manager of Manawatu Golf Club. I'm delighted to be leading an excellent team of employees that are dedicated, committed and focused on satisfying the needs of you, our members.

Prior to coming to Manawatu Golf Club, I served as the General Manager of North Shore Golf Club holding this position for 8 ½ years. At North Shore, which has an extremely large membership and a 27 hole complex, I have learnt the value about being available to all members and staff as being a key ingredient of success.

My belief throughout my career in the golf club space, has been members deserve great customer service, the best facilities possible and an atmosphere of fun and camaraderie. You the members, certainly have a course and facilities second to none from what I have seen to date. I had the pleasure of witnessing this during the final two days of the NZPGA Tournament.

I consider myself very fortunate and privileged to be employed here at the golf club and thank the Committee for their trust in handing me this opportunity, one I shall treat with the responsibility and devotion it deserves.

In my spare time I enjoy a game of golf playing off a 10.8 index, my three grandchildren and following my interest in a locally trained racehorse.

I genuinely look forward to having the opportunity to meet as many of you in person and if I can be of service, feel free to contact me

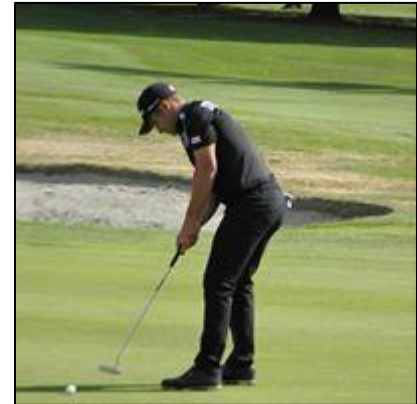

Regards

Warren Collett - General Manager

# 2017 Trivia Night

## Saturday 13<sup>th</sup> May

### Enter your team now!

The annual Manawatu Golf Club Trivia night is going to be held on Saturday 13th May. The event has sold out for the past three years so sign your team up today so you don't miss out of this fantastic evening!

Teams can be made up of 4 - 6 people and up for grabs is the chance to win some fantastic prizes! Prizes available for top trivia teams plus lots of spot prizes throughout the night!

The cost is \$37 per person which includes a two course meal (\$222 team of 6, \$148 team of 4)

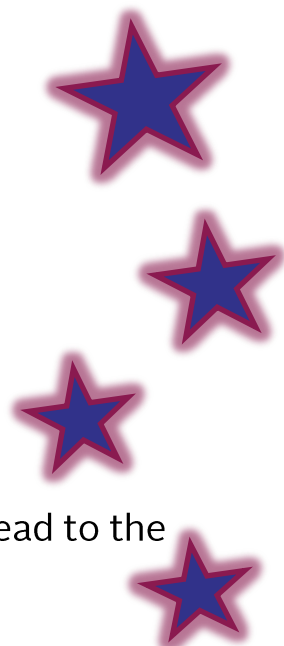

6:00pm - Doors open - Happy Hour from 6pm - 7pm

6.30pm - Seated for dinner and Trivia briefing

6:45pm - Dinner served - Two course meal

7:30pm - Trivia begins

Teams sell out fast so get in quick with your team. To enter head to the website at [manawatugolfclub.com/trivia2017/](http://manawatugolfclub.com/trivia2017/)

Hi Everyone,

Wow March just flew by here in the Pro Shop!!!!!!

### **New Pro Shop staff member Maraea Durie:**

As some of you may already be aware we have a new face in the Proshop. A bit of Maraea's background is that as a junior she was a member of Manawatu and Palmerston North. After she finished school she went off to the USA and played in their college golf system. Maraea has the intentions of starting her PGA trainee ship in 2018. Next time you're in the shop please feel free to introduce yourself to Maraea.

### **Club fittings, time to test your gear:**

We have both Cobra & Ping here on Thursday the 6th of April this is a great opportunity to test and compare your current gear against the latest gear from these two brands. If you are interested in coming along please book in fast as we only have few times left available. Bookings are through the Pro Shop.

### **Masters preview:**

It is now under two weeks until the greatest tournament in the world ..... The US Masters. No other tournament has the prestige and aura of the Masters and no other golf course is presented in the same way as Augusta National. Take the time to visit [www.masters.com](http://www.masters.com) It is a great website and has fantastic articles on past Masters as well as previews of what to expect for this year's event.

As many of you know the Pro-Shop took a group of Manawatu members to the 2015 US Masters and on the back of that hugely success trip we are planning on going again next year!!

Spaces will be limited and we already have some confirmed bookings so if you ever dreamt of going to the Masters – Here is your chance.

Send an email to André on [golf@manawatugolfclub.com](mailto:golf@manawatugolfclub.com) and he will keep you informed as the planning progresses.

# MEN'S GOLF

## Club Captain's Report

At last some decent weather for golf, although it may be short lived.

Well done to everybody involved in the running of the PGA. The feedback from players and administrators alike has been fantastic. Well done Malcolm and your team. You are held in very high regard.

Ben Mathews – Winner of the Craigs Investment Partners Tankard and the Memorial Trophy

Saturday 11 March was Memorial Day, when we remembered those members who had passed away in the preceding 12 months. The trophy was won by Ben Mathews, with 40 pts.

We also played for the monthly Craigs Investments Partners Tankard. This was also won by Ben Mathews. All in all a great day out for Ben, well done. Thanks as always to Ewan Westergaard for his sponsorship

Congratulations John Weber, on being a member of this great club for 60 years. That is a monumental achievement, and it was great seeing you celebrate in style!

Congrats also to the recently retired Stu Leighton. Stu got his first ever eagle, when he holed out from 90 metres on the 15th. The first of many Stu.

The MacLennan is now underway, please try and play your matches early. B&A and Watson Cup matches are progressing satisfactorily – keep it up.

Go well

BC

Chris Edsall – Nolan Rosebowl – Summer Singles

# WOMEN'S GOLF

## Club Captain's Report

A great start to March with the NZPGA Tournament and many thanks to all our volunteers.

With the course playing so well we have had some great scores over the past two weeks and turnouts of 34 on a Tuesday while the weather is so good.

The Gun, Allen and McMillan Match play draws are up now so do see who you have to play and get in contact and arrange a play/date.

March 21st we played LGU & Putting along with the National Teams day.

The following players are the winners to go to Castlecliff Club on Friday 4th May.

Helen Weber	69 nett
Elizabeth Lander	70 nett
Jill Clifton	70 nett
Margaret Scott	70 nett

Congratulations to these players and at this stage they are all available.

Along with the Saturday Women we raised \$102 to go to the Manawatu Wanganui District. Well done and many thanks to those who were willing to donate and yet, not available to play. These monies help the district Committee to run all our Pennant days, trials, Masters and Inter-Provincial.

Last week we sadly said our farewells to Anna Coogan. The generosity of the mid-week and Sn 9 Hole Women was fantastic and we were able to give Anna a generous Plaza voucher and our very clever Gloria Campbell made her a cheeky Fox to remember us by. Anna has always been so obliging and willing to fit in with all we have ever wanted. We will miss her. I think she could put a name to every one of us. We wish her well and hope to see her occasionally at the Club.

We have had very good numbers entering the Pro Shop Competition at \$5.00 and it is great to see different players winning the big money. The results from the previous week will be next to the entry sheet each week. They are also posted each Sunday on the web site.

The Tuesday Committee have started gearing up for our big Open Day in May visiting our sponsors etc. If you know of any sponsors who would like to support this day please let Rosie or myself know. It doesn't have to be a huge amount. The Flyer will be out soon.

Our congratulations to Rebecca Hopper in being selected to play in the Masters Team at Ngaruawahia. Other team members are Jill Hall, Jenny Ritchie and Lisa Cotton. Go Manawatu/Wanganui.

## WOMEN'S GOLF

### Silver and District Pennants.

The Silver and District Teams played at Rangitikei on Monday 13th March and sadly couldn't get the win. Marie Buckman managed a win as did Sue Fletcher who played really well, but other team mates had close games but couldn't quite get there. Better luck at Rangatira on the 3rd April. Our Selectors Pam Lamberton (Silver) and Marlene Judd (District) are building up teams and do a sterling job organising everyone.

### Championship and Weekend Pennants

Four rounds have been completed out of the 9 in the competition.

Tania Hook and Rebecca Hopper have got the Championship team off to a great start. Levin A are proving to be a hard team to crack with Brydie Hodge and Joanne Wilton-Eadie but they are behind them now. Good points gained against Taihape/Foxton, Eketahuna and Wanganui sees the team on 15.5 points. Levin A and Pahiatua are sitting just behind on 15 points

Jill Clifton has been the mainstay of the Weekend Team and after a rocky start with Deb Archer she now has help from Vicki Worker and Angela Pivac managing wins against Palmerston North and Pahiatua and a half with Rangitikei. Although fifth on the table there is plenty of opportunity to climb upwards.

Keep up the great work Manawatu  
Deb Archer

### Championship and Weekend Pennant Selector.

A big thank you to Sue Burmeister and Rosie Honeyfield for making themselves available helping with hosting the Pennants on Sunday 26th March.

### Saturday Women

Our Saturday Convenor Eva has been away on family matters so many thanks to Ann Marie Jackson and Linda Hill for running things so well. They are getting on with their matches this year which is very pleasing. And many thanks for the raffles for the Pennants day which we hosted on Sunday 26th March.

Saturday ladies have powered into the new season with great enthusiasm. A number of matches have been played already with several going on past the 18th hole. Despite the fierce competition and adverse weather at times, all are still smiling so it looks like we'll achieve our goal of having these completed in plenty of time. We are looking to increase the number of ladies playing with us regularly on Saturdays so if there are any interested members out there please talk to a committee member or Christine Rose at the Club so we can ensure you are welcomed and introduced. The off-course highlight for our group this month was probably Toni Burnley's recent wedding, with Janine Healey also looking lovely in the bridal party – **Linda Hall**

## from the ACADEMY ...

This month I requested Alan and Andre to give me an overview at what the club has provided to the Academy members in the way of coaching since November 2016.

From Andre...  
Session dates and program

### November 22<sup>nd</sup> 2016

Each participant was given an online practice diary we developed to allow them to see how much time they spend in each area of 18 essential core skills required for golf. These skills are: Short putts, Long Putts, X-long putts, Chip shots, Pitch shots, Bunker shots, Lob shots, Rough shots, Buried and long bunker shots, Short wedge shots, Mid wedge shots, Long wedge shots, Short/mid irons, Mid/long/hybrid shots, Fairway wood/driver shots, Course mapping, Course strategy and Course attitude..... There is a lot involved in playing top level golf! They were also given an online statistics program that allows them to track their game and how it is made up. This is from tee shots to recovery shots, to short game to putting. Once the players have this information it is easier for them to target their practice schedule based on their personal strengths and weaknesses.

### December 12<sup>th</sup> 2016

Their practice diary was updated to now include practicing how to purposely curve the ball from right to left and again from left to right. They marked themselves on their ability to start the ball off in the correct direction and again their ability to curve the ball in the correct direction. Each practice session they had was to be marked into their online diary so we can monitor their progress. Each flight curve was to be done with both driver and 6 iron.

## from the ACADEMY ...

January 16<sup>th</sup> 2017

This session was on putting and specifically around the 4 key areas of putting 1) Starting the ball on your intended line, 2) Controlling the distance the putt rolls, 3) Reading the greens correctly and 4) Doing the first three under pressure. Their diary was updated with drills and games to teach them each component as well as each participant being given some teaching aids to assist in this learning

February 13<sup>th</sup> 2017

This session was on the golf course and we took the group out to play with the specific goal of understanding how to plan their game on each hole. This tied in nicely with session two whereby we talked about having the ability to control the curve of the ball. We also spoke about how to play when for example the shot required to get the ball close to a hole is a fade yet this is not a shot you are confident with. This was in order to maximize their ability to play to their strengths, away from their weaknesses and leave working on their weaknesses to the practice fairway.

Greg Shaw, Academy Member, recently played in the NZ Strokeplay at Bridge Pa, Scoring 77/72/73/71 he achieved a tied 22<sup>nd</sup> placing

Academy Member Lily Griffin with NZ Professional golfer Ben Campbell. Ben recently had 2<sup>nd</sup> placings in each of the NZPGA and NZ Open

## from the ACADEMY ...

March 13<sup>th</sup> 2017

This session was with Grant Waite and he spoke to the group about expectation levels and golf not being a game that can be played perfectly. In fact golf is a game of misses in as much as everybody hits offline shots so learning that this is okay to hit bad shots and finding a way to cope with that is paramount to getting better. Grant also took up on one of our previous clinics regarding curving the ball and made a profound statement "In the history of golf no major championship, and in fact possibly no PGA tournament has ever been won by a player aiming at the flag". What does that mean??? Simply that hitting a perfectly straight shot is not only the hardest shot in golf it is also almost technically impossible.

Therefore any shot aimed at the flag and curving is moving away from the hole as opposed to a shot aimed right or left of the hole is always getting closer and as such gives you a better chance of scoring better. Grant amazed the group with his ability to predict and hit a shot curving right or left and then watched each player hit some shots and gave them all some personal advice and help.

Academy members on the range listening to golf professional Grant Waite, who was visiting for the NZPGA

From John...

Our Academy is extremely fortunate to have the continued support of Alan and Andre from the proshop. The Academy has also has Tim Wilkinson, Craig Perks, Steve Williams and Grant Waite give them advice based on their experiences in and amongst the best of the best in the golf world.

John R Garrett - Academy Chairman

## MIXED 9 HOLE

The better weather has arrived and attendance is growing.

Walker George Cup is underway with interesting results:

Our first roadie of the year was at Tokoroa Golf Course, with the ladies making us a packed lunch. After golf we spent the evening at Wintec for dinner. The next day we went to St Andrews Golf Course where some played 18 holes and the rest played nine holes. Dinner that night was at Victors Chinese Restaurant.

The next day on our way home we played at Taumarunui Golf Course and a great time was had by all

The 9 hole group are organizing to go to the Women's LPGA to see Lydia play. We have a house booked but still have vacancies for 2. If anyone is interested in joining us for this fun trip contact Colleen Fraser on 021 2426221

Good golfing

Colleen Fraser

## March Club Photo....

Congratulations to Glenda Petre on winning the regional final of the annual Mercedes Benz Tournament in Wellington.

Glenda will soon be off to play in the National Final at Millbrook, with the winner of that going to Germany to play in the world championship!!

Fantastic stuff, and go well!

## COURSE REPORT

March was a busy month with the NZPGA in the first week. Thank you to all the volunteers that helped during this time.

Greens are running smooth and consistent and fertilizer has been applied. Tees have all been solid tined and fertiliser applied. Both tees and surround have great cover. Fairways and rough are growing well with the warmth and consistent amount of rain we are having.

Under the Totara's around the 10<sup>th</sup> tee area has grown well and looks great. The 9<sup>th</sup> black tee has had good feedback and has made a challenging hole from there with club selection

Couple of things to note;

- The 1<sup>st</sup> and 10<sup>th</sup> tees are the usual starting tees, please keep to this. If you start off other tees it puts the greenkeepers out of pattern when completing tasks and makes it difficult when they are planning
- Please be aware of other golfers and start on appropriate tees.
- Please continue to repair pitch marks and replace divots, we appreciate this a lot

The greenkeepers wish all members and visitors well in the coming month whether it may be a match or a casual game of golf

Enjoy ☺

Kiel Stechman – Greenkeeper

## NEW MEMBERS –

The Committee would like to confirm their acceptance to the Club of the following new members who applied in December 2016.

**7 Day Member** – Michael Borren, Hennie Oosthuizen

**6 Day Member** – Kazutoshi Sakai

**5 Day Member** – Ae Kyung Han, Kwang Cheol Lee

**9 Hole Member** – Denise Mclean, Judith Rolle

**Under 25** – Bevan Small

During this same period, 6 members resigned bringing our total membership number to 1005 members. We wish our resigned members all the best and welcome our new members, we are sure you will enjoy your time at the Club.

## EASTER CAFÉ HOURS

**Good Friday** – Closed

**Easter Sunday** – Normal Hours. Alcoholic beverages can only be sold when dining for a meal

**Saturday** – Normal Hours

**Easter Monday** - Closed

**ANZAC day**  
Tuesday 25<sup>th</sup> April  
Café Closed

## RULES CORNER

We will this month look at the middle 6 questions in the R&A 2017 Rules of Golf quiz first posted in January. Feedback from the first 6 questions in last month's Rules Corner has been very positive – and clearly, the questions proved to be testing. It will not get any easier with this set of questions!

Most will be aware that the R&A and USGA combined Rules committees have released a draft version of the new Rules of Golf which in their final form will be adopted and come into effect from the beginning of 2019. These new rules include several major changes and will require careful study when introduced. I plan to make these proposed changes the subject of this Rules Corner contribution, over the next few months. However at this stage, we are all bound to operate under the existing Rules and the questions posed in this R&A quiz are likewise all set in accordance with the current Rules.

1. In stroke play, Ross's ball is at rest on the putting green. He marks, lifts and cleans the ball before replacing it, however, before he removes the ball-marker, a sudden gust of wind causes the ball to move a few inches closer to the hole. Ross replaces the ball on the original spot in front of the marker and holes the putt. What is the ruling?

- A. There is no penalty.
- B. Ross incurs a one-stroke penalty.
- C. Ross incurs a two-stroke penalty.

2. After a wayward tee shot, Justin's ball is still moving when it is picked up by a spectator. The spectator is quickly informed by a course marshal of the error and drops the ball approximately at the place where it was picked up. Which of the following statements is correct?

- A. Justin must play the ball as it lies from the spot where the spectator dropped the ball.
- B. Justin must replace the ball on the spot where the spectator lifted it.
- C. Justin must estimate where his ball would have come to rest had it not been picked up and drop the ball as near as possible to that spot.

3. Ross's ball is lying in an area of thick rough. In taking a practice swing nearby, he strikes an abandoned ball which had been buried and concealed in the thick grass. What is the ruling?

- A. Ross incurs a two-stroke penalty for playing a wrong ball.
- B. Ross incurs a two-stroke penalty for making a practice stroke during the play of a hole.
- C. There is no penalty and Ross must continue play with his original ball.

## RULES CORNER Cont..

4. Louis plays a very good tee shot to a par 3, but as his ball is rolling towards the hole, it deflects off J.B.'s ball which was already at rest on the green. J.B.'s ball is moved slightly closer to the hole, while the deflection causes Louis' ball to roll into the hole. Which of the following statements is correct?
- A. Louis' ball is holed in one and J.B.'s ball is played as it lies.
  - B. Louis' ball is holed in one and J.B.'s ball must be replaced at its original position.
  - C. Both Louis' and J.B.'s balls must be placed at the spot where they deflected
5. In stroke play, Ross's ball comes to rest in the rough close to the boundary of the course. He removes a stake defining the boundary which was interfering with his line of play, however, after changing his mind about the shot he wished to play, he replaces the stake to its original position before playing his next stroke back out towards the fairway. What is the ruling?
- A. There is no penalty.
  - B. Ross incurs a one-stroke penalty.
  - C. Ross incurs a two-stroke penalty.
6. Nikki is playing Ross in a match. On the 12th hole, Ross hits his tee shot out of bounds. Nikki realises Ross has played from the wrong teeing ground however she decides not to recall Ross's tee shot. Which of the following statements is true?
- A. Ross must play his 3rd shot from within the correct teeing ground and the ball may be teed.
  - B. Ross must play his 3rd shot from as near as possible to where the previous stroke was made and the ball cannot be teed.
  - C. Ross must play his 3rd shot from within the teeing ground from where he played his first stroke and the ball may be teed.

### Rules Corner – Answers

**Question 1. C** As wind is not an outside agency, Ross was required to play from the new position of the ball after it was moved by a gust of wind – see Rule 18-2 and penalty statement for general breach of Rule 18. In lifting the ball from its new position, Ross incurred a 1 stroke penalty and then, by not replacing the ball to its new position, he incurred the general penalty (a total of 2 strokes) for breach of Rule 18. The fact that the ball marker was still down is irrelevant in this case.

**Question 2. C** See note to Rule 19-1. If a player's ball in motion has been deliberately deflected or stopped by an outside agency ( the spectator in Justin's case) after a stroke from anywhere other than on the putting green, the spot where the ball would have come to rest must be estimated. In this case, as this was through the green, Justin was required to drop the ball as near as possible to that spot.

**Question 3. C** See Note to Rule 7-2. A practice swing is not a practice stroke. As Ross had no intention of hitting the concealed ball in the rough, his swing was a practice swing and NOT a stroke. Thus there is no question of Ross having played either a practice stroke (Rule 7-2) or a stroke with a wrong ball (Rule 15-3).

## RULES CORNER Cont..

### Rules Corner – Answers

**Question 4. B** See Rules 19-5 and 18-5. If a ball at rest is moved by another ball in motion, the moved ball **must be replaced**. A ball in motion deflected by a ball at rest **must be played as it lies**. Thus in this case Louis' ball was considered holed and J.B.'s ball must be replaced.

**Question 5. C** See Rule 13-2. A player **must not** do anything that would **improve the area of his intended swing or his line of play**. One of the prohibited actions listed under Rule 13-2 is the moving of objects defining out of bounds. The moment Ross moved the OB stake, he was in breach of Rule 13-2 and there was nothing he could do to avoid the penalty. The replacement of the stake before playing his next stroke was irrelevant.

**Question 6. B** See Rules 11-4 and 11-5. In this case, as Nikki did not recall Ross's tee shot, (which would have required Ross to cancel the tee shot from the wrong tee and play a ball from the correct tee) Ross had in fact put a ball into play – see Definition of Ball in Play. As this ball had gone out of bounds, he was then required under Rule 27-1 to drop a ball under penalty of 1 stroke as nearly as possible at the spot from which the original ball had been played ie on the wrong teeing ground – he could not tee the ball because the original ball was not played from the correct teeing ground.

2017 Programme Books are available for collection  
from the card room or office!  
Apologies for the delay in getting them to you

# Hokowhitu Café & Bar

Anna Coogan had her last day with the club on Tuesday 28<sup>th</sup> March. She has left to spend more time with her family. We thank Anna for all of her hard work over the many years she was with the Hokowhitu café and bar. She will be missed greatly by the staff and members

Billy Dempsey has started as the new Front of House Manager – a role he is sharing with Dana Littlefair  
Billy has recently moved back to Palmerston North with his young family and is happy to be joining the great team here at MGC

The Cheese Platters are now \$20 for two people – A selection of Kapiti cheeses with grapes, fruit pate and crackers.  
Please remember to preorder your platter before you tee off so it can be ready for when you return to the clubhouse

Thank you Bob for the rave review of the sausage rolls in the café! Don't take Bobs word, come and try them yourself!

Please note this programme is subject to change. Please remember to always check and book via the tee sheets on the Club website or at the card room kiosk for available tee times.
