

## **GOLF CART RULES AND ETIQUETTE**

These rules and etiquette expectations are designed for your safety and the safety of others, and to protect our golf course and property.

### **CART SAFETY**

Only licensed drivers are permitted to use a golf cart on our course. Limit the use of your cart to two drivers, with two golf bags. Ensure that both golfers are aware that they should keep their arms and legs within the confines of the cart. Common sense dictates that the driver should wait until the passenger is seated before moving off. Drive carefully around the Clubhouse and at all intersections. If you drive your cart in the Carpark area be especially careful.

### **STEERING CLEAR**

Keep your cart away from tee boxes and 10 metres away from the greens. Do not drive close to grassy mounds or bunkers as they can be damaged by carts. Always drive on paths where they are available and be careful of slippery slopes as they can result in loss of control of the cart.

### **TAKE CARE OF THE COURSE**

Making sharp turns, speeding and/or racing along in a cart and coming to a sudden stop can damage the course. Please apply cart brakes carefully. Please avoid driving through wet or muddy areas, or grass with standing water.

### **BE AWARE OF OTHER PLAYERS**

For your safety and for the safety of your passenger, do not drive your cart in front of other players in your group. As a courtesy, do not drive forward or reverse when a player is addressing the ball. Most golf carts have a very distinguishable alarm in reverse.

### **TAKE IT AWAY**

As a courtesy to the group behind you, it is good etiquette to park your cart at the back or side of the green before putting. This helps the speed of play.
