

MESSAGE FROM THE PRESIDENT

Last weekend we once again had the honour of hosting New Zealand's oldest privately run Golf Tournament. The Devil's Own started in 1931 with four men sitting in the 19th who decided to make it an annual tournament for the legal fraternity. This year is the 84th tournament. Once again the course was presented in superb condition by Kiel and his team, backed up by Warren and his administration team and the efforts of the Pro Shop.

In a couple of weeks we are hosting the 80th Manawatu/Wanganui branch of the Institute of Chartered Accountants Tournament. While I understand over the years this may have been played the odd time at a different course in the region, the vast majority have been played at the Manawatu Golf Club. It is great for our Club to be able to continually host these long-standing tournaments.

Some of you may have noticed that the main Club Honours Board has been relocated to the hallway. This Board had run out of room for our Club Champions and has been replaced with the new style board, with the history starting at the year 2000. There is also a new Hole in One Board. It is the Committee's intention to continue this new board theme as the old boards become full.

Competition wise the Club Championships are nearing semi-final stage with the finals set down for Sunday November 4. The shootout is also in its final weeks culminating in the final on Sunday October 28. We also host the Wallace Developments Manawatu Open on Sunday October 21.

Finally it is with mixed emotions that I advise you all that I have decided not to seek re-election as President in 2019. I have enjoyed serving in committee roles, as Vice-President and President over the past seven years. During this time there have been major transitions in the Club which we have all needed to embrace. I know that I leave the leadership team in good hands. With the very able team of Warren Collett at the helm, Kiel Stechman looking after the course, Alan Hyatt running the Pro Shop and Kath Slack doing an amazing job in the café & bar area, we couldn't have a better team. I am proud that the Club is in good shape and it is time for me to move on.

Enjoy your winter golf!

Peter McRedmond - President

MESSAGE FROM THE GENERAL MANAGER

We have had several meetings recently with Wallace Development and part of the (memorandum of understanding) MOU we have is to work through a covenant to be placed on the titles of the new sections. This will provide the Club with the knowledge the agreed restrictions, between what will be our new neighbours of adjoining properties and the Club, will be in place. The terms have all been agreed with both parties ready to sign off. This agreement has been tedious but pleasing that this will be soon be behind us. The Club and Wallace Development continue to work together as neighbours and when anything new needs to be consulted with the membership, we will be bringing this to you.

Sponsorship income is a key part of the Club's revenue and we are so fortunate we have business's that support the Club in many ways. The Driving Range will see a rebranding of Computercare moving to "Yorb" with exciting new signage appearing on the range shortly. It has been a pleasure dealing with Wayne Masters throughout this initiative. Another business coming on board is Megan and Shane Walker from Fowler Homes. Shane has a big presence at the Palmerston North Golf Club and is very keen to be involved with our Club. Fowler Homes will be taking up one of our tee sign sponsorships. We certainly welcome them to the Club.

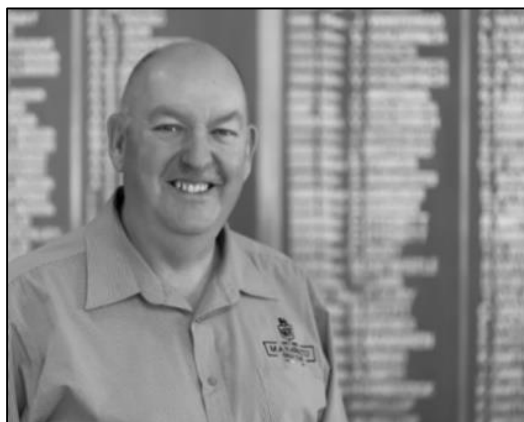

The decision has been made not to run a "Discover Golf" programme pre-Christmas with a new format and programme possibly going to run after everyone returns from their Christmas New Year break. More about this will follow during the next couple of months.

We are gearing up for a busy period with tournaments and functions. With that in mind we will be sending out many notifications as to when certain tournaments close. Please take advantage of the many options that will be available to you. Please remember if you enter and decide you are not able to play please cancel as soon as you can.

Winter is hopefully behind us and the way Kiel and his team have got the course back into pristine condition is a credit to him and the guys. We are receiving many positive comments on the course which in my role is very satisfying. I also must make mention of the members that have supported the "Demo Days" Alan and his team run. The purchase of equipment from these days is staggering so we thank you for your support.

Good golfing everyone and please enjoy your club

Warren Collett – General Manager

GOLF CLUB

Pro Shop

Hi Everyone,

Hope your September has gone well. It seems that everything in the golfing world is back to normal and has also come alive with Tiger defining the odds and winning again. There is a saying out there that “no one player is bigger than the game”. Well I think Tiger maybe the only athlete out there over all sports that comes close to proving that saying wrong. As we have heard a lot “Tiger doesn’t move the needle, he is the needle”. Whether you like it or not, Tiger winning is great for the game in all aspects.

Golf Trips

Tara Iti trip - Sold out!

Presidents Cup - If you enjoyed the Ryder Cup, this trip will be for you! We are running a Club trip to the Presidents Cup 2019 in Melbourne!! We are looking at playing and watching the golf. To express your interest and receive more information email Andre today: golf@manawatugolfclub.com

Pro's Day November 3rd 2018

This day is fast approaching. We have revamped the format for this year Pro's Day. We have tried to come up with a format that you will not play on another day throughout the year, but also still have the two person teams event that has worked so well over the last 6 years. Again for 2018 we have managed to secure an amazing 1st prize (our best yet) so watch this space. You don't want to miss out on the chance to be the 2018 Pro's Day champions.

Tip of the Month: Playing in the Wind

If you have lived in the mighty Manawatu for longer enough you know that with spring means wind and more wind!!! Below are some points below to help you play better in the wind.

- Take an extra club and swing softer than you would normally: “When it’s breezy swing easy”. This will help keep the ball lower and still get to your yardage. Depending on how strong the wind is you may need to take more than one club extra.
- Try a different setup: Move the ball position slightly back in your stance from where you would normally have it with each club and lean towards your target this will put a little more weight on to your lead leg (ie: left leg for right handers). This setup will help you produce a lower ball flight.
- Play for the wind: If the wind is blowing across a hole try to use the wind as much as you can. If you try to fight it you will lose a lot of distance... “ride the wind”
- Short game chipping: the wind effects your chip shots just like full swing. Chip the ball as low as you can: the putter can be a great choice on really windy days.
- Does the wind effect my ball when putting? Yes! If the wind is strong it will effect the ball. The faster the greens the more the ball will be effected by the wind. When the wind is really strong it can move the ball against the slope.

Just remember if you have any questions regarding your game please don't hesitate to ask us, we are here to help!

Your Proshop team - Alan, Andre, Ben, Lisa and Guy

TWILIGHT GOLF STARTS 28th OCTOBER

Twilight Golf - every Friday night during summer

Everyone is welcome and no need to book, simply turn up between between 3.00pm and 5.30pm and register at the window around the corner from the Proshop.

The competition format is 9 Holes Individual Stableford and there will be a prize presentation afterward in the clubhouse. Take advantage of our fantastic cafe and bar facilities and stay on for refreshments or dinner after your game.

Manawatu Golf Club playing members - \$5.00, Members of other NZ clubs - \$10.00 and non-affiliated and MGC social members - \$15.00

PRIZES!

Mad Butcher Vouchers and golf ball prizes for Stableford competition.

Each week there will be a lucky card draw for some fortunate participant and this will jackpot as you have to be in the clubhouse at the time of the draw to win - Approx 7:30pm or when the last person is in from the field.

This is a great opportunity to play at the Club in a competition for a small fee so bring along your friends and have some fun.

MIXED DAY. ALL WELCOME.

MEN'S GOLF

Congratulations to Jeremy on winning the Craig's investment Tankard kindly sponsored by our very own Ewan Westergaard.

15th September was the playing of the annual Devils Own Stableford competition which was this year won in resounding fashion by former B-Grade champion Stuart Robbie. Stuart blitzed the field with 43 points. Saturday players thank the Devils Own for their contribution with numerous players winning an item of clothing.

Men's bus trip to Paraparaumu on Saturday.

40 men took part in the annual golf trip to Paraparaumu on Saturday 29th September. We were greeted by cool breezy conditions, but certainly not unpleasant.

Ewan Westergaard led the way with a superb round of 71, closely followed by his playing partner on the day, Matt Francis who shot 73. These two played against Craig Nash and Micah Bremner in their huddle, and not surprisingly were 9 up at the turn, and shook hands on the 10th!! Now that is a good old dicking!

The competition on the day was stableford, with mystery partners for the prize money. John Symon, Alan Vonk and Matt Francis led the way with 39 pts, with Robert Cuff, Ray Barnett and Bruce Holmes all having 38 pts. Micah Bremner was tail end Charlie with 23 pts, followed very closely by Bob Rankin with 24 pts. Club Captain BC had a day to forget, and with only 10 pts after 10 holes, the day was looking a tad expensive, but a solid 7 holes saw him get to 28pts, which was enough to beat 7 others. So a \$50 pay out – there have been worse days.

The best players on the day were hoping they did not draw a "bunny", and while most did, John Symon and Vonky were partnered (78 pts) and won the day by 10 pts, \$50 each. Cuffy and Ryan Dickins, and Bruce Holmes and Steven Charles with 68 pts were joint second, \$25 per player.

After a lovely meal at the club, we went to the Cossie club for pool, snooker and socialising, before leaving for home at 8.30pm.

Thanks to the back seat boys, Arnie, Euan and Snapper for the music and leading the singing on the way home. Special thanks to our driver Tony Chettleburgh, Rich for doing the results, and Warren Collett for organising the trip, the drinks, chilly bins etc.

It would be remiss of me not to thank the raffle boys, Rodders and Vonky for subsidising the entire trip, which kept the costs right down. Fantastic, and really appreciated by us all.

I will look at trying to do a similar trip early 2019, as these bus trips are such great fun.

BC

Jeremy Morriss winner of the Craigs Tankard

Stuart Robbie with the Devils Own Trophy plus lovely shirt kindly donated by the Devils Own.

Ian Yule with his Hole-in-one trophy

WOMEN'S GOLF

Club Captain's Report

Spring at last which has brought the usual mixture of weather. We were unable to play the 1st week of September because of the NZ Age Group Championships, but we leapt into Spring on the 11th starting at the earlier time of 9am. A great many of us donned our spring colours with some very colourful outfits. The best dressed went to Glyn Robinson with her Sunflower hat, followed closely by Rosie Honeyfield. Many thanks to Sue Burmeister who made up a pot of colourful flowers for the raffle. The winner was Marlene Judd.

A big thanks to all those who volunteered their time for the under 19's in such windy wet and cold conditions.

We have played our last LGU Round so the Mellsop Cup is coming up on 23rd and 27th October for those players who have won an LGU Round. The list of players will be up in the locker room at the end of this month.

As we didn't play our Pro Shop Round on the 25th we will attach it to the Stableford Round on the 2nd October to concur with the number of rounds with the Sat Players.

The Shootout is getting near to the end now with only 1 round to go on Thursday 4th October, so there is much interest in who will make it to the 13 players. There are some very close scores and you can see this under "Your Competitions" on Dot Golf to see where you stand. We also play for the Dorothy Taylor Grandmothers Salver on this day.

The Championship Rounds are well underway so do keep an eye in the card room for dates to be played by and results. There will be no extensions.

On Monday 24th and Wednesday 26th some of the Mid-week women were down in the Daffodil area weeding the beds. They look so much better and many thanks to Robyn Higgins and her helpers.

The big date in October is our **Open Day on Thursday 25th October**. Plans are well underway and everyone is dreaming up ideas for exciting raffles. This is our only fundraising day for the year so we would like a full field. If you have friends at other clubs, do give them a ring and encourage them to come and play. Wonderful prizes and the course will be at its best after the Manawatu Open Championship at Labour weekend. Please enter online. Rachel is putting it on our weekly newsletter or you can go to the website [CLICK HERE](#)

Good Golfing

Angela Pivac - Women's Club Captain

WOMEN'S GOLF CONTINUED....

Saturday Women's Report

Our Saturday group has been enjoying the warmer weather with some already getting into the summer fashion. Competition matches have been completed on schedule and just a few Club Championship matches are outstanding. Our numbers have been lower over the last weeks as several players have been away, seeking out warmer climates or braving the South Island conditions on the courses around Queenstown. This Saturday we are off to Whanganui Castecliff for hospitality and golf.

Eva Heinrich – Saturday Women's Committee

CHALLENGE CUP

The Manawatu-Wanganui Strokeplay (Challenge Cup) was played at Feilding Golf Course this year. With recent input from Malcolm Wells the course was in excellent condition with surprisingly hard and fast greens. The weather while cool played its part being fine with a light southerly breeze. Well done to Reid Perry who came 2nd four shots behind Feilding club member Liam Finlayson. Tyler Wood came 5th a further four shots back. There were 56 entries in the Men's field.

In the Women's event Lily Griffin came 4th eleven shots behind runaway winner Tara Raj from Wanganui. Mudra Lakhani came 7th in the women's field of 12.

The final local order-of-merit event is our own Manawatu Open to be held on Sunday 21st of October. While restricted to the lowest 96 entries by handicap, many club members will surely give it a go. Entry fee is \$50.00 and you can enter at www.manawatugolfclub.com/tournaments/

NINE HOLE NEWS

Not pleased to see the wind but it will be drying up some of the rain we have had.

Last week the weather was great and brought everyone out to play. Great numbers on Wednesday and Saturday, great to have some fun.

We have had our 2nd tri-series match held at Feilding, which was won by Palmerston North and we were 2nd, so overall we still have our nose in front. One leg still to go.

We played in Marton's Open Day. Colleen Fraser - best net, Chris Lough - Longest drive. Very enjoyable day with 100 entries.

We are playing at Pahiatua on Friday (Devils Own) and Saturday players are going to Foxton.

Our 'Jacket' Roadie is heading south on 11th & 12th October if you wish to play in this let Ray know asap as accommodation needs to be finalised.

Our Open Day is on 15th October we need as many of our members as possible to play and any other club members you know to come along it is a very enjoyable day.

Our Club Champ matches are going well with a few upsets already and our Saturday players are doing really well. Good Luck to those players still in the running.

Good golfing

Colleen Fraser - Nine hole Convenor

Health and Safety Corner

After a long winter please remember to be sun smart when heading out in the finer whether.

Make sure you have a hat and sun glasses and take advantage of the free sunblock in the bathrooms and on the 1st and 10th tees.

Make sure you also pack enough water in your golf bag!

New Zealand Age Group Championship

It was great to host the U19 Mens NZ Championship in early September. There were 148 in the field from across New Zealand.

Congratulations to all of the winners from the tournament. Below: Jang Hyun Lee, Jake Lee, Sung Jin Yeo, Harry Ward and Jayden Ford

A HUGE THANK YOU to all who volunteered their time for the championship. It is much appreciated and we couldn't have run such a successful event with out all of your help!

WELCOME

NEW MEMBERS –

The Committee would like to confirm the acceptance to the Club of the following new members who applied in August 2018

7 Day Member – Greg Codyre, Barry Henderson, James Lovegrove, Richard O'Flaherty, Mark Pene

Under 25 – Corey Fothergill

Country – Rob Siolo

5 Day Member – John Alexander

9 Hole Member - Jackie Choi

Restricted Junior – Kexu Chen, Ayano Fujii, Barnaby Rowe

Social – Adi Jayawant, John White

During this same period, 3 members resigned bringing our total membership number to 963 members. We wish our resigned members all the best and welcome our new members, we are sure you will enjoy your time at the Club.

Rules Corner

As a follow up to the information in the previous newsletter on the new Rules of Golf to be used from January 1, 2019, I again urge members to visit the R&A website www.rules.golf to obtain an excellent overview of the proposed new rules. In particular I would direct you to the Resource Library section and for those seeking a list of the main changes to the Rules, in this section open the "Summary of Main Changes – 2019 Rules of Golf. The main changes are listed in table form with essential information on the new rules and comparison with existing Rules interpretation and procedures. I have just received from NZ Golf, the new Player's Edition of the Rules of Golf and the complete version of Rules of Golf. I understand copies of the player's Edition will be available through golf clubs in the near future. Again I emphasise that the new rules will only become operative after January 1, 2019.

At the recent age group championships played at our course I encountered some interesting Rules situations and decisions which I would like to share with our members.

1. Ball at rest moved by outside agency

In this case, a player's drive on the 9th hole finished in line with the green and at rest on the middle of the sealed roadway crossing this fairway. A vehicle entering the MGC, clipped the ball with its front right tyre and effectively "dribbled" the ball towards the parking area – the ball finally coming to rest in the gutter adjacent to the main practice putting green. Fortunately for the player, this whole incident was observed by one of the scoring ladies on duty near the 10th tee.

Decision - Under Rule 18-1, if a ball at rest is moved by an outside agency (in this case the car), there is no penalty and the ball must be replaced. As the incident had been observed by an independent observer, there was no doubt that the ball was at rest and had been moved by the car – thus allowing the player to replace his ball as near as possible (estimated) to the spot it was originally at rest. As this spot was on a sealed roadway, the player was then entitled to penalty free relief from this immovable obstruction under Rule 24-2b.

If the incident had not been observed by a credible witness, the player would have been required to proceed from the new position of the ball near the practice putting green. Similarly, if the ball was in motion when it came into contact with the car, under Rule 19-1 the player must play the ball from its final position.

2. Player makes stroke at ball falling off its tee

A player on the 14th tee was in the process of his downswing when a gust of wind blew his ball off the tee – causing the player to just touch the falling ball as he completed his stroke. The ball came to rest about 0.5m from the original teeing spot and just in front of the teeing area.

Decision - Under Rule 11-3, if a player makes a stroke at a ball falling off a tee, the stroke counts but there is no penalty. The ball is in play and must be played as it lies. In this case the probable cause of the player's ball falling off the tee was the strong gusty wind which is "rub of the green" and bad luck for the player.

Rules Corner

3. Player searches unsuccessfully for ball and returns to tee to play provisional ball

During play of the 15th hole, a player hit his drive into the trees on the right hand side of the fairway – after about 3 minutes unsuccessful search for his ball, the player returned to the tee to play what he believed would be a provisional ball. After he had played this second ball from the tee and before the 5 minute search period elapsed, one of his playing partners found his original ball. The player proceeded to play out the hole with both balls and sought a ruling on which ball score he was required to record.

Decision - When the player made a stroke at the second ball from the teeing ground, it became the ball in play and although his original ball was found inside the 5 minute search period, he was required to abandon his original ball and complete the hole with the second ball. The second ball was not a provisional ball (see definition of provisional ball under Rule 27-2a). Note the difference between a lost ball from the tee shot and one lost from a second or subsequent stroke played from “through the green”. The second ball becomes the ball in play from the teeing area when the player makes a stroke at it. If from through the green, the second ball becomes the ball in play as soon as it is dropped at the spot the original ball was last played from.

COURSE REPORT

September was typical spring with warmer days, rain and even some hail. Course is playing well, as well as drying up in the wetter areas. Keep the warmer weather coming.

Greens are in great condition; ball roll is consistent and true. Tru-Turf greens roller has been a great addition to the machinery.

Tees and surrounds have been cored and still have a dense cover. Par 3 Tees are due to be dethatched with the warmer weather to give the seed a start, as well as top dressed. Some surrounds are still to be tumble cored.

Fairways have great cover and have all been sprayed for weeds. Rough is thick and starting to grow. We have sprayed areas in the rough and will continue to do so.

Drainage will be worked on over the month, as well as sprinklers.

I wish all members & visitors well in their coming month of golf. Those still in the club champs I wish you all well.

Please continue to replace divots and repair all pitch marks, be aware of where you are driving your cart. Think about your fellow golfers, we all must play on the course.

- Kiel Stechman

PACIFICLINKS
INTERNATIONAL

Global Golf Access

We are pleased to announce the Manawatu Golf Club has formed a partnership with Pacific Links Golf Network providing members of the Golf Club with access to 230 + signature golf clubs in 30 countries. The Golf Club has become an “Affiliate Club” where golfers are able to play golf at other “Affiliate Clubs” without payment of a green fee and at “Reciprocal Club’s” with a payment significantly reduced green fee. A cart or caddie fee will be applicable .

Check by clicking on the link for a directory of all network Clubs.
